CAB TRIPEL

AUSTIN BREWED

(512) CAB TRIPEL is our original (512) Tripel aged in recently emptied Cabernet Sauvignon wine barrels for at least 12 months. The result is an amazing combination of huge oak character married with the spicy and ripe fruity esters from the Belgian yeast, the sturdy bread flavors from the malts and an effervescence from the invert sugar used to boost the alcohol and dry out the finish. The barrel character lends hints of red wine, pronounced vanilla and undeniable flavors of oak.
