

PINT-SIZED PALE

Pint Sized Pale is a lighter, more crushable Pale Ale brewed with Organic 2-row malted barley and a hint of crystal malt and wheat. Hopped with some of our favorite hops like Simcoe and Amarillo, PSP is crisp and refreshing but never boring or bland. Expect a hop strike that leans citrusy balanced with crisp pale malt flavor. At 5.3% ABV, this one is sized to fill a full pint glass while being a bit smaller in stature than his elder (512) Pale Ale brethren.

5.3% ABV | Availability: limited | 97% Organic
