

HELLES

(512) Helles is a Munich style pale lager that's gold in color and weighs in at exactly 5.12%ABV (for real)! Super light, delicious, and perfect for the Texas Heat, this beer is practically 100% Bestmalz Heidelberg malt, which is super light and crisp. A kiss of Bestmalz Cara Pils lends a touch of body to round out the mouthfeel. Dry, crisp, refreshing... it's a crushable lager and a new brewer's favorite. Enjoy!
